

Santa Cruz County 2022 CoC and Supplemental NOFO Process Timeline

Each year, the Housing for Health Partnership (H4HP) administers the Continuum of Care (CoC) Program Competition for HUD funds. This calendar serves as a guide for CoC applicants who are considering applying for new or renewal funds from HUD through either the CoC or Supplemental NOFOs. Please note the dates are tentative and may change. Please do contact H4H at housingforhealth@santacruzcounty.us or me at tonygardnerconsulting@yahoo.com with questions.
